

## Unit 74: IN THE WORLD

This unit gives you examples of **a long way from, in, into, near, off, on, outside, through, to** and **towards** when we are talking about places in the world.

### 1 Look at the map of western Canada

- Where do you live? **in** Victoria / **in** the province of British Columbia / **on** Vancouver Island / **in** the provincial capital city / **on** the coast / **near** the U.S. border
- Where is Edmonton? **in** Alberta / approximately 300 kilometres **from** Calgary / **near** the centre of the province / **outside** of the mountains
- Where is Regina? **in** the southern part of Saskatchewan / **towards** the U.S. border / **a long way from** Fort Nelson / **to** the south-east of Saskatoon
- Where is Lake Athabasca? running **through** a provincial border / **into** Alberta and Saskatchewan / **near** Fort McMurray

### 2 Look at the diagrams

She is moving **to** Calgary to find work.  
It took four hours to get **from** Edmonton **to** Calgary.

We drove **into** Saskatoon and found a place to eat.

We got **through** Kamloops without asking for directions.

Bad weather is moving **towards** Victoria and the coast of British Columbia.

**NOTICE:**

By the year 2050, it is estimated that there'll be up to 9.4 billion people **in the world**.

By the year 2050, it is estimated that there'll be up to 9.4 billion people **on the earth**.
