

Unit 75: IN A TOWN OR CITY

This unit gives you examples of **across**, **along**, **around**, **at**, **behind**, **between**, **in**, **in front of**, **into**, **next to**, **on**, **opposite**, **out of**, **outside**, **past**, **around** and **to** when we are talking about places in a town or city. The street plan below can help you to understand the examples.

1

I live **on** Bridge Street / **at** 27 Bridge Street.

The pharmacy is **next to** the bank / **opposite** the baker / **between** the bookshop **and** the bank.

There is a bus stop **outside** the pharmacy/ the bus stop is **in front of** the pharmacy.

There is a car park **behind** the supermarket.

From the stadium, the restaurant is at the **end** of the street **on** the right.

2

I walked **along** the road **to** the bank.

I walked **across** the road **to** the baker.

I turned the corner **onto** Bridge Street.

I turned the corner **in** Bridge Street.

I turned left **out of** Bridge Street.

We drove **past** the famous stadium.

He ran **around** the stadium twice.

I went **around** the corner to the butcher.

I went into town and walked **around**.

I did not go to any special place or in any special direction.
